What is EZ Pay with automatic check withdrawal?

Your cable bill is paid automatically through a checking account by electronic check.

How does it work?

Complete the authorization form below and return it to the **Carbondale office at the address above** via mail or walk in. You may also email or fax this form. **PA** customers have their payment processed on the **10th** of each month and **NY** customers have their payment processed on the **16th** of each month.(Sorry, we are not able to customize the payment date). If the process date falls on a Sat., Sun., or holiday, payments will be processed on the next business day.

Will I still receive a monthly statement?

Yes, it should state DO NOT PAY. This lets you know the amount that will be deducted from your checking account that month. You do not need to send a payment.

What if I change my mind?

You may cancel your EZ Pay option by notifying us in writing.

When does it take effect?

Once the form is received in our office, the account will be set up for EZ Pay and the first payment will process on the next scheduled EZ Pay process date.(see above)
